To Our Graduate

The years have quickly slipped away;
You pause now at the open door;
You linger but you cannot stay -
My dear, you are a child no more.

But graduation time is good -
A time to go forth seeking truth,
Stepping into adulthood
Yet clinging to the dreams of youth.

Yearning to achieve a name -
But to this I must confess:
I do not wish you wealth and fame -
Only peace and happiness.

Happiness in all you do;
Peace with God and peace with man;
Doing work you love to do -
Doing it the best you can.

Think not your efforts are in vain -
Adversity but makes us grow;
One must seek a higher plane
To view the grandeur down below.

Unto thine own self be true -
These are words by which to live,
Being just in all you do,
Willing to forget, forgive.

For peace is not with money bought
Nor happiness acquired with fame;
He with loneliness is fraught
Who strives but to exalt his name.

Always be sincere and true
Ever searching for the right;
Be honest in what'er you do
For in honesty is might.

S. Louise Rayle

Dress Down Day

Yes, Tom, you have to go to class today!

For the second consecutive year the Student Council sponsored a Dress Down Day. On this day students were permitted to wear casual clothes, but they also abided by the regulations made by the Administration with the cooperation of the Student Council.

P-W's student government is known as the Student Council. This year, P-W's Student Council has affiliated itself with the Central Michigan League Student Council. Through this organization P-W has participated in Exchange Days and League Dances. In the future there is hope for a League Science Fair and a Math Contest. On the home port, the Student Council has the chore of managing the assemblies and Homecoming. In 1967 it has also assumed responsibility for P-W's three hour shows heard over the St. Johns radio station.

Science Club

The Science Club set sail for its second year with a membership of 17 interested members. This crew's main objective is to create an interest in science. One way to do this is by performing activities publicly. The Science Club for the first time is sponsoring a Science Fair. The club is planning other activities, such as a balloon project to study air currents. Chief advisor, Mr. Thelen assists his mates, President, John Wieber, V.P. The Pewamo-Westphalia "FHA" ship with its 115 crew members sailed to it's Red Rose Chapter title again this year. They have collected $75.00 for needy children and have given the Avon Nursing Home a Christmas party. Many more activities were carried on by the crew members, among these were the annual style show. The P-W "FHA" ship is headed by Captain Linda T. Thelen (President), First Mate Beth Vance (Vice-President), Second Mate Patty Kramer (Secretary), Third Mate Joan Kramer (Treasurer). With such great team work, the "FHA" ship sailed smoothly to their destination, the Red Rose Chapter.

The J.C.L. galley joined the fleet of P-W pirate ships as a ship of ancient Rome seven years ago. This year we initiated our new crew members in the fall. In February we set sail for Roman Night at Gabriels High School. Here we enjoyed several workshops and a gathering of all crew members. April fifteenth marked our departure for the Spring Convention at M. S. U. The highlight of the day, the Opera DIDO and AENEAS by the Detroit Cantata Academy.

While the other shipmates sail the seas, the Pewamo-Westphalia Future Farmers hold up the home front. One of their many activities during the year was a journey to Chicago for the International Livestock Exposition. As well as tilling the soil, these landlubbers operated four outstanding agricultural programs; land laboratory corn project, poultry broiler project, steer feeding and the F.F.A. swine chain.

Money-making and recreational projects such as annual garden seed and Christmas tree sales, joint meetings with other chapters and roller-skating parties have enriched the Future Farmers program. During the year, the F.F.A. participated in four areas of leadership; public speaking, demonstration, farm forum and parliamentary procedure.

Becuase of the outstanding feats of this chapter they were awarded a silver star and were ranked in the top 15% of all the F.F.A. Chapters in the State of Michigan.

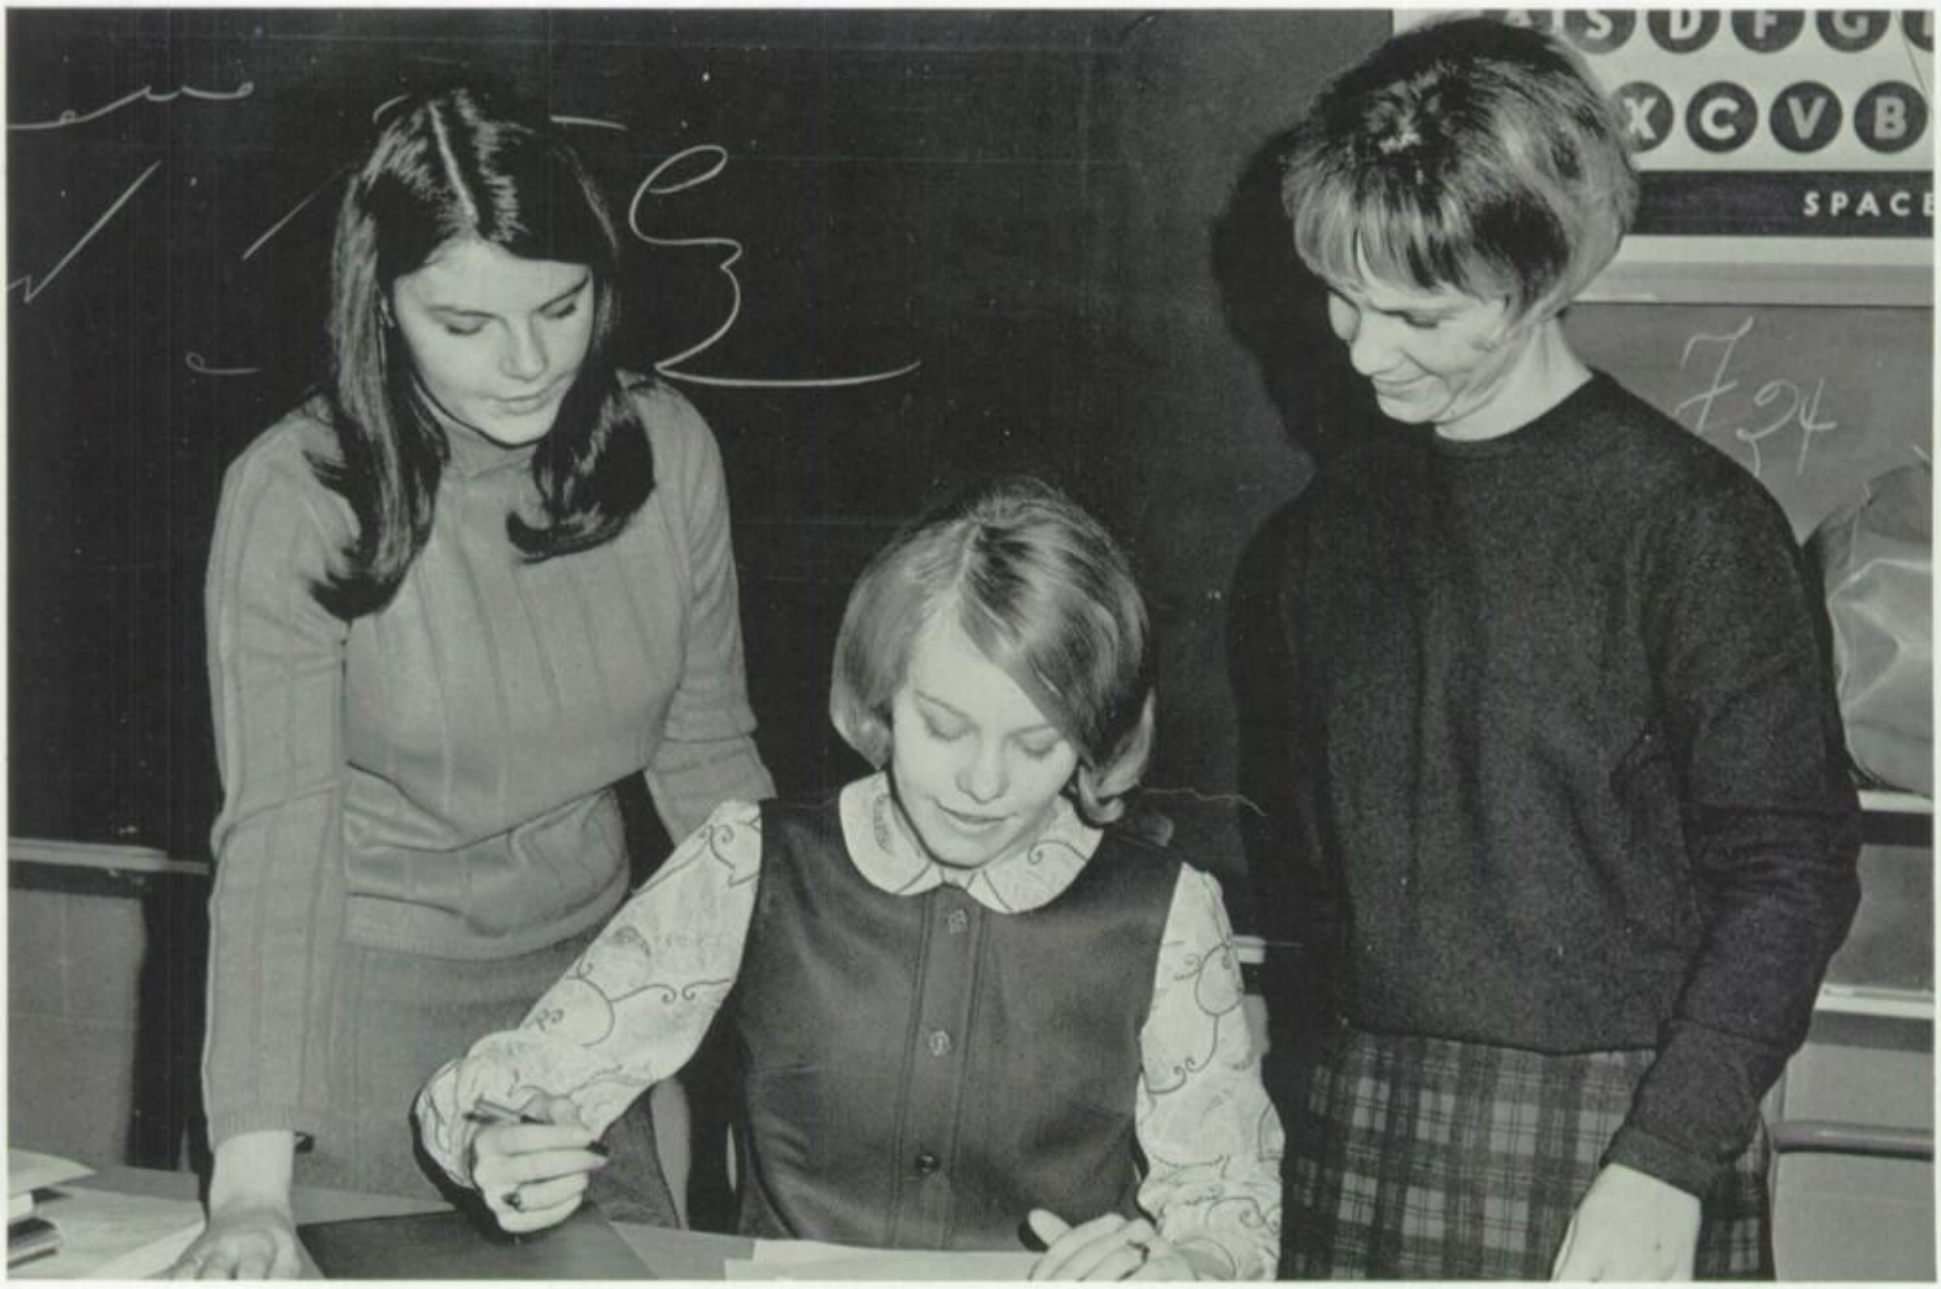
Pirate's Log



Our school paper here at P-W has a fine staff. Miss Schavey, our advisor, faithfully guided our staff. Our captain taking charge of our Pirate Log is Jennifer Wood. Lieutenant Beth Hogle acts as her assistant. Next comes a long line of able officers headed by Ensign Joan Kramer, our business manager. When our Pirates team sail on to glorious victories, sports editor Seasman John Wieber is there. No log is complete without its spots of humor here and there, Seamen Karen Smith and Shirley Irrer fill this part of the duty roster. Ensign Maggie Droste takes care of the senior sketches for our Pirates who will soon depart our humble ship. Last but not least, Civilian Marie Wohlsheid acts as our spy to bring us special reports on important events.

While our Pirate ship sails on to new victories there will be no event within view of our crew's nest that will pass by without it's being recorded in our Pirate log.

JUNIORS--Claudia Wieber and
Dorothy Cvetnich

On October 21, 1966 the Pirate flag of victory unfurled for the first time on Homecoming night. P-W scuttled the Webberville Spartans 23-12.

At halftime the Homecoming Parade circled the playing field. Included in the convoy were 3 floats, 6 decorated cars and a tractor. Carrying away first place as plunder was the Junior's "Ship of Victory" manned by Claudia Wieber and Dorothy Cvetnick. The FHA's float of a birthday cake adorned by candles symbolizing the FHA's 21st birthday captured second place. The Senior's float, Royalty of '67, placed 3rd. The booty aboard this float was jewels of the Senior class--Sue Thelen, Nancy Jo Thelen, Karen Smith, Gladys Smith and Beth Vance. At midfield, Dorothy Bengel, last year's queen, officially crowned her successor, Sue Thelen, the 1966-67 Homecoming Queen.

To celebrate the conquest, the Pirates held a victory dance in the gym. The theme of the dance was "Royalty of '67" with the PLAIN BROWN WRAPPERS playing music appropriate to a historic first Homecoming victory.

Oriental Gardens

Roger Pohl and Sue Thelen pose for our photographer.

On May 6, the junior-senior prom was held. The Presidentials provided the musical entertainment. Decorations centered around the theme "Oriental Gardens." Several islands were scattered about, and stream flowing beneath a bridge highlighted the decorations. The wind chimes tinkled in the gentle incensed air. The atmosphere held all the charm and mystery of the deep Orient.

The chaperones also enjoyed a lovely evening.

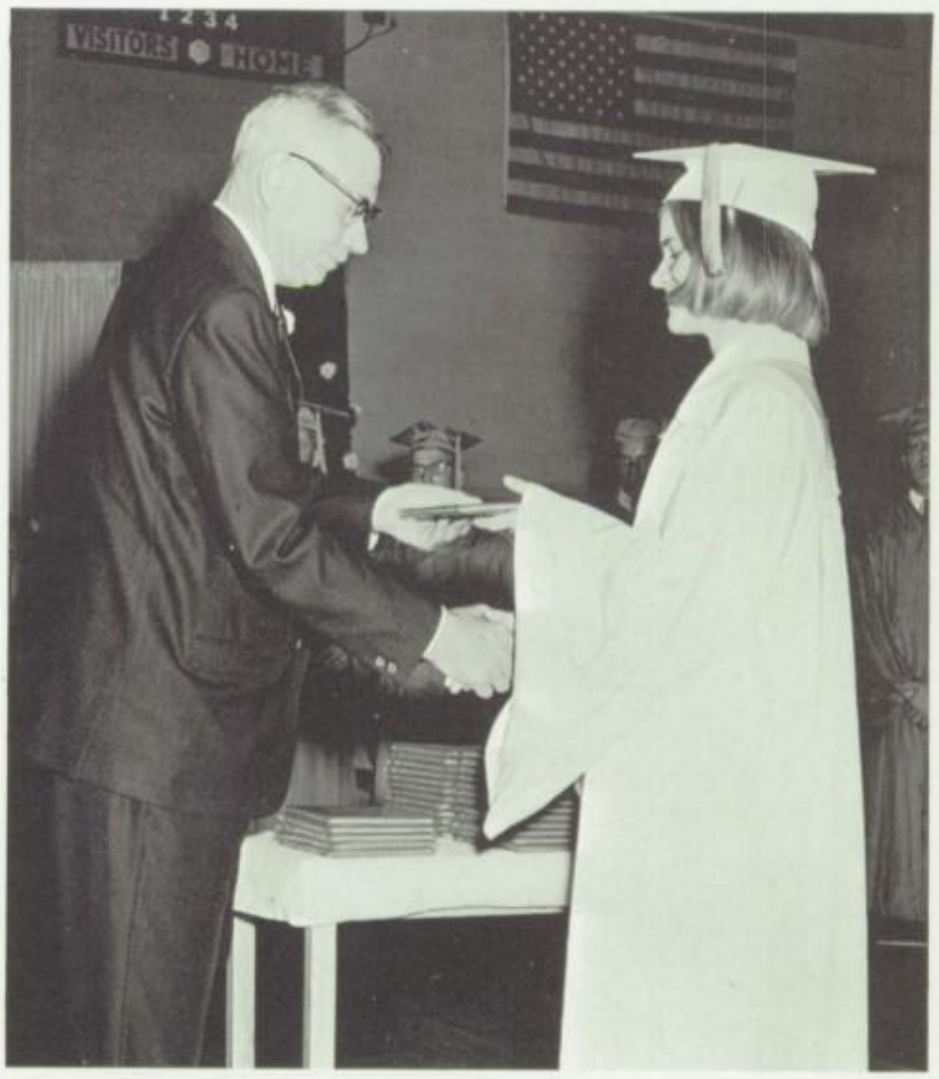
Commencement For '67
And "Now What"

The Graduates of '67 proceeded through their last official exercise at P-W on May 24th.

The Innovation was by Rev. Fr. Hackett. The honorary address, entitled "Now What," was given by Dr. Ernest Britton, Superintendent of Midland High Schools. He challenged the seniors to live productive, happy lives. The Benediction was offered by Rev. Jesse Powell.

Keith Rademacher, Chris Wieber, and Bernice Hafner receive perfect attendance awards for their dedication to education.



Ann Cotter, like all the graduates, gratefully receives her key to the future, from the President of the School Board, Walter Keilen.

The top six Jennifer Wood, Miriam Spencer, Debi Cook, Mary Ann Piggott, Glenn Schafer and Louie Thelen receive special recognition for their outstanding performance in four years of academics.

This year our football team did what no other team has accomplished--they won the first Homecoming game in P-W's history.

The team's enthusiasm this year was second to none; but, unfortunately, they lacked experience and size. The Pirates' team was sparked by four outstanding individuals: Jim Bengel, all-league linebacker; and Stan Fedewa, John Schafer, and Randy Pohl, who all received honorable mention on the all-league team.

Captains Randy Pohl and Gary Bissell helped to spark the team into improving their record over last year.

A fixture at football games (and basketball games too) was Pirate Pete. He symbolized the spirit of the Pirates which was drive, enthusiasm and a thirst for victory. Pirate Pete came into being early in 1966 through the efforts of the Student Council, and was under the jurisdiction of the Student Council until May of '66 when the Varsity Club assumed responsibility for Pirate Pete.

The P-W Pirates hoisted the victory flag as they won the battle of the district tournaments for the first time in five years. The Pirates sailed by Carson City and Saranac to win the District title only to be gunned down by a much taller Shelby team, who later became the Regional Champions. The Pirates were a short team but what later lacked in size they made up for in hustle and desire. Utilizing a full court press and a tight man to man defense, the Pirates managed to salvage a 12 and 8 won - lost record.

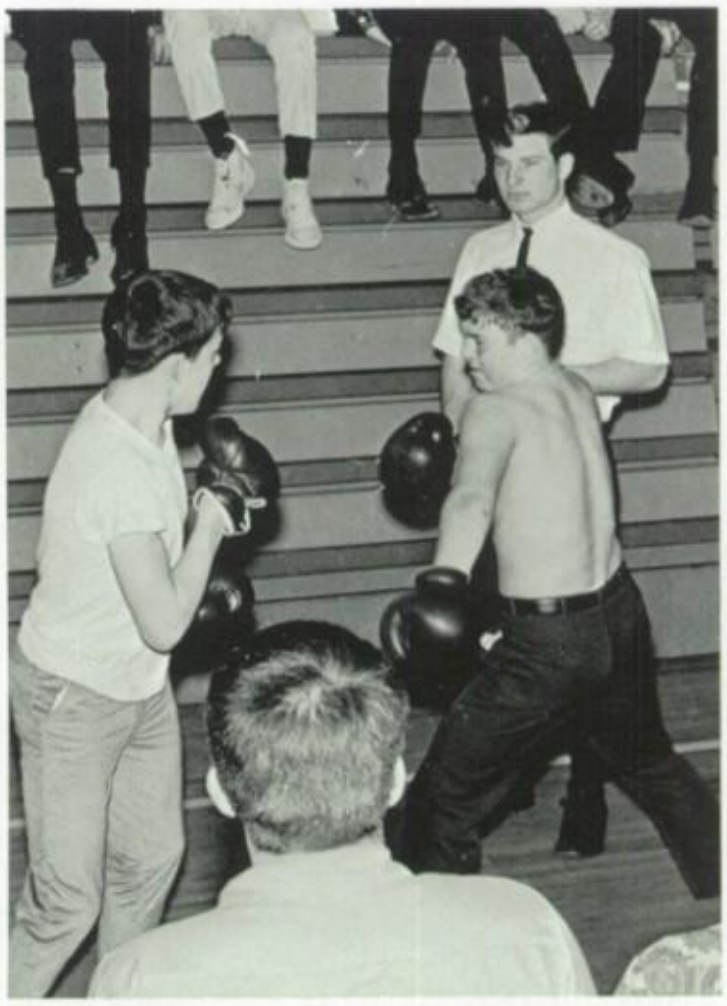
Stan Freund — Golden Glover



Stan Freund was the first P-W student ever to box in the Golden Gloves Boxing Tournaments held in Lansing. Stan fought in the Novice Light Heavyweight division of 175 pounds for the St. Johns' team under Wayne Beaufore.

Prior to his first bout, Freund felt nervous and tight. However, in the ring he relaxed and easily decisioned Dave Engel of Grand Ledge.

With a victory under his belt, Freund entered the second bout with complete confidence. In this bout he gained a TKO over Enos Wonger of Battle Creek in the second round.

In his third contest, Stan TKO'ed Joe Beaupre of Fowlerville with 1:19 of the Third round elapsed.

By this time, Freund was in finals. However, he ran into Ron Woodard of Caravan Center who TKO'ed him in the second round.

Freund helped the St. John's team to the title. Freund's three points helped the St. John's team to the title over Caravan Center by a score 53-44. Hats off to Stan for his good showing, P-W is proud of him.

The P-W Track Team finished 5th in the League Conference. With only one senior on the team, the dream of 1st place may turn into a reality in the not too distant future.

Alvin Bierstetel set a new pole vault record of 10 feet.

FRONT: Bruce Rathburn, Louie Thelen, Gary Kramer, Mike Miller, Ken Weber, Jim Bengel
BACK: Glenn Schafer, Tom Huhn, Duane Piggott, Vernon C. Thelen, Pat Rademacher, Don Pohl, Don Schrauben, Phil Scheaffer, Coach Sarkozy

Coach Sarkozy receives his reward for leading P-W to the championship. It wasn't champagne, but it got the job done.

The baseball team brought home the first league championship in P-W's history by tying Webberville with a 6-1 record, losing the first game to DeWitt by one run due to the lack of game experience. The Pirates roared back to win the next six. Five of these victories were captured due to the influence of Louie's Lucky Socks.

In the Fowlerville invitational tournament the baseballers triumphed over Williamston 7-4. However they dropped the next two games to Howell and Perry, 4-3 and 5-2 to close the season at 7-3.
